8                   UNITED STATES DISTRICT COURT  
9                   CENTRAL DISTRICT OF CALIFORNIA

10 VICTOR VALLEY FAMILY                   Case No. ED CV 16-00903-AB (SPx)  
11 RESOURCE CENTER, a non-profit  
corporation; et al.,

12                   Plaintiff,

13 v.

14 CITY of HESPERIA, a California                   ORDER OF DISMISSAL FOR  
15 general law city; et al.,                   LACK OF PROSECUTION WITHOUT  
   PREJUDICE

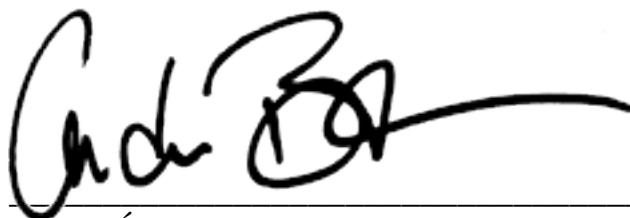

16                   Defendants.

(PURSUANT TO LOCAL RULE 41)

20                   On April 5, 2018, the Court dismissed the claims brought by all Plaintiffs, with  
21 the exception of those claims brought by Plaintiff Nicholas Holt-Francis, as the docket  
22 did not reflect that Defendants had settled with Plaintiff Holt-Francis. (Dkt. No. 131.)  
23 The Court ordered Plaintiff Holt-Francis to show cause, in writing, on or before May 4,  
24 2018, why this action should not be dismissed for lack of prosecution, as the docket did  
25 not reflect that Plaintiff Holt-Francis was actively pursuing this matter. (Dkt. No. 131.)  
26 Plaintiff Holt-Francis did not respond to the Court's Order to Show Cause.  
27 Accordingly, Plaintiff Holt-Francis' claims are dismissed, without prejudice, for lack  
28

1 of prosecution, and for failure to comply with the Order of the Court, pursuant to Local  
2 Rule 41. Plaintiff Holt-Francis was the sole remaining Plaintiff, and as a result, this  
3 case is now closed.
